

8:00

Registration

Session 1 : Asthma		
Moderators: Prof. Bassam Mahboub, Prof. Mohammed AlHajjaj		
9:00	Welcome and Introduction	
9:05	Advances in precision medicine for asthma treatment	Prof. Celeste Porsbjerg
9:25	Artificial intelligence in respiratory medicine	Dr. Terrence Lee
9:45	Severe bronchial asthma: A year in review	Prof. Celeste Porsbjerg
10:05	Q & A session	
10:20	Industrial symposium (Significance of IL4/ IL13 in Type 2 Asthma and COPD)	Sanofi
10:40	Opening ceremony and exhibition	
11:20	Coffee Break	

Session 2 : Interstitial Lung Diseases		
Moderators: Dr. Saniya Khan, Dr. Sharina Al Dhaheri		
11:30	Updates on connective tissue related interstitial lung diseases	Prof. Luca Richeldi
11:50	Bronchoscopic cryobiopsy v/s video-assisted thoracoscopic lung biopsy: yield and safety	Dr. Lorenzo Corbetta Dr. Norberto Santana
12:10	Interstitial lung abnormalities: an evolving clinical entity	Prof. Luca Richeldi
12:30	Q & A session	
12:45	Lunch break	

Workshop 1	
13:50	Workshop 1: Non Invasive Respiratory Support
Instructors: Dr Nauman Chaudhry Ms. Seddiqa Al Mansoori	

Session 4 : Interventional Pulmonology		
Moderators: Dr. Ali Wahla, Dr. Trilok Chand		
14:50	Modalities in the diagnosis of peripheral pulmonary lesions	Prof. Lorenzo Corbetta
15:10	EBUS and EUS-B in staging of non small cell lung cancer (NSCLC)	Dr. Goran Nadir Salih
15:30	Relief of critical airway obstruction; A look at the therapeutic modalities	Dr. Ali Wahla
15:50	Q & A session	
16:05	Real life experience of Severe Asthma from ISAR Registry	Astra Zeneca 1
16:25	Coffee Break	

Session 6 : Pleural diseases		
Moderators: Dr. Syed Arshad Husain, Dr. Luai Idris		
16:40	Intrapleural fibrinolysis: When and why?	Dr. Eihab Badawi
17:00	New insights and improved strategies for the management of spontaneous pneumothorax	Dr. Muhammad Tufail
17:20	Medical management of malignant pleural effusion	Dr. Yasser Madani
17:40	Q & A session	
18:00	Closing remarks	

Industrial symposium session		
20:00	Treatment optimization in Asthma management	Astrazenca 2
20:20	COPD with T2, science and hands on experience	Sanofi
20:40	The updates on COPD management	MPC Healthcare
21:00	Q & A session	
21:00	Gala Dinner	

Session 3 : Miscellaneous		
Moderators: Prof. Naser Abu Saeedi, Dr. Nasser Salman		
11:30	Non tuberculous mycobacterium: Updates and approaches	Dr. Aishah Alyammahi
11:50	Longevity medicine . transforming lifespan to health span	Dr. Husain Alawadhi
12:10	Industrial symposium	GSK
12:25	Q & A session	
12:45	Lunch break	

Workshop 2	
13:50	Workshop 2: Flexible Bronchoscopy
Instructors: Dr. Marwan Najib Dr. Muhammed Tufail	

Session 5 : Pediatric Pulmonology		
Moderators: Dr. Asmaa Al Nuaimi, Dr. Majid Al Tunaji		
14:50	Interesting pediatric pulmonary cases	Dr. Gulam Mujtaba
15:10	Pediatric pulmonary radiology	Dr. Mahmoud al kaissi
15:30	Complicated pneumonia- Surgical management	Dr. Khaldoon Abu Dakka
15:50	Approach to chronic productive cough	Dr. Andrew Ives
16:10	Year in review: Pediatric pulmonology	Dr. Sofia Konstantinopolulou
16:25	Coffee Break	

Session 7 : Respiratory Therapy and Allied Health		
Moderators: Dr Manjush Karthika, Mr. Abdulkadir Haji		
16:40	Detection and troubleshooting of NIV asynchronies- A review on the clinical approaches	Mr. Almir Smajlovic
17:00	Fostering excellence in healthcare through allied health and nursing empowerment	Dr. Ayesha Al Mehri
17:20	Systemic interaction in ventilated patients	Mr. Mohamed Mashrah
17:40	Q & A session	
18:00	Closing remarks	

8:00

Registration

Workshop 3

8:30

Workshop 3: EBUS and Cryobiopsy

Instructors:
Dr. Goran Nadir Salih
Dr. Ali Wahla
Prof. Lorenzo Corbetta

Session 8 : Lung transplantation

Moderators:
Dr. Hassan Nuaimat, Dr. Fadi Hameed

9:30	Its time to refer: Lets go ahead	Dr. Fadi Hamed
9:50	Post-transplant care- Facts v/s myths	Dr. Said Isse
10:10	Building lung transplant program in the UAE: The CCAD experience so far	Dr. Usman Ahmed
10:30	Q & A session	
10:45	Coffee break	

Session 9: COPD

Moderators:
Prof Ashraf Alzaabi and Dr Mohammed Al Ghobain

11:00	Biomarkers of type 2 COPD and implications for therapy	Prof. Marc Miravittles
11:20	Year in review: COPD	Prof. Mohammed Al Ghobain
11:40	COPD in never smokers: Is it really COPD?	Prof. Marc Miravittles
12:00	Q & A session	
12:15	Be Lung Aware: A comprehensive approach for lung disease detection and management	Astra Zeneca 3

Session 11 : Oral Presentaiton , abstracts

Moderators:
Prof. Mohammed Al Houqani, Prof. Mohammed Al Hajjaj, Dr. Manjush Karthika

12:35		
12:45		
12:55		
13:05	Q & A session	

Workshop 5

12:35

Workshop 5 : Chest Ultrasound

Instructors:
Dr. Goran Nadir Salih
Dr. Eihab Badawi
Dr. Yasser Al Madani
Dr. Mohammed Tufail

13:35

Lunch Break

Session 12 : Lungs on Fire

Moderators:
Dr. Ramzi Khashkusha, Muhammad Tufail

14:35	Case 1	Dr.Marah Altorkmani
14:55	Case 2	Dr Sarah Al Qassimi
15:15	Case 3	Dr. Irfan Shafiq
15:35	Case 4	Dr. Hamzeh Al Subbah
15:55	Q & A session	

Closing Ceremony

Workshop 4

8:30

Workshop 4: Cardio-pulmonary Exercise Testing

Instructors:
Mr. Niyas Moideenkoya

Session 10 : Thoracic imaging

Moderators:
Dr. Mahmoud al kaissi, Dr. Faisal

11:00	Bronchial arterial embolization for the treatment of hemoptysis	Dr. Ayman Sebaee
11:20	Challenging thoracic radiology cases: Pictorial review	Dr. Mahmoud al kaissi
11:40	Artificial intelligence in thoracic imaging	Dr. Faisal AbdulKarim
12:00	Q & A session	
12:15	Industrial symposium	NOVARTIS

Workshop 6

12:35

Workshop 6: Pediatric NIV

Instructors:
Prof Omendra Narayan
Dr Sofia Konstantinopolulou
(SKMC Abu Dhabi)

13:35

Lunch Break

Session 13: Thoracic Surgery

Moderators:
Dr. Usman Ahmed, Prof. Norberto Santana Rodriquez

14:35	Minimally invasive surgery for lung cancer: Updates and challenges	Dr. Hussam Ismael
14:55	Sublobar resection: New evidence and techniques	Dr. Andres Obeso (CCAD)
15:15	Surgical management of chest wall disorders: Patient selection and technical issues	Dr. Edward Black
15:35	Q & A session
